STATEMENTS ON INTRODUCED BILLS AND JOINT RESOLUTIONS

By Mrs. BOXER:

S. 518. A bill to amend the Public Health Service Act to provide for the training of health professions students with respect to the identification and referral of victims of domestic violence; to the Committee on Health, Education, Labor, and Pensions.

Mrs. BOXER. Mr. President, domestic violence is a national crisis that shatters the lives of millions of women across this country and tears at the fabric of this society. Despite increased efforts prompted by legislation such as the Violence Against Women Act, do-

mestic violence continues to be the leading cause of injury to women across the country between the ages of 15 to 44. Furthermore, many of our health professionals today—those who are often the first in a position to recognize domestic violence, still do not have the proper training to assist these very vulnerable victims.

Wonderful partnerships currently exist between many hospitals and graduate medical institutions and these partnerships should be encouraged in order to more effectively serve victims of domestic violence and prevent future violent attacks.

For these reasons, I am reintroducing my bill, the Domestic Violence Identification and Referral Act, which would help ensure that medical professionals have the training they need to recognize and treat domestic violence, including spouse abuse, child abuse, and elder abuse. The bill would amend the Public Health Service Act to require the Secretary of Health and Human Services to give preference in awarding grants to institutions that train health professionals in identifying, treating, and referring patients who are victims of domestic violence to appropriate services.

I encourage my colleagues to support this worthwhile legislation that would help in our continued fight to prevent domestic violence across this nation.

By Mr. FRIST:

S. 519. A bill to amend the Internal Revenue Code of 1986 to provide that trusts established for the benefit of individuals with disabilities shall be taxed at the same rate as individual taxpayers, to the Committee on Finance.

Mr. FRIST. Mr. President, today I introduce a bill to address a tax inequity that has existed for some time and was made worse by the large tax increases of 1993. The "Tax Fairness for Support of the Permanently Disabled Act" would change the tax rates for the taxable income of a trust fund established solely for the benefit of a person who is permanently and totally disabled. Instead of being taxed at the highest tax rate 39.6 percent for amounts over \$7500, the income of this fund would be taxed at the tax rates that would normally apply to regular income of the same amount. In essence, trust fund income would be treated as personal income for a permanently disabled person.

Mr. Nicholas Verbin of Nashville, TN personally called my office about this problem he had encountered. The problem was that he had established an irrevocable trust for his son Nicky, who is completely disabled, unable to work, and totally dependent on his dad to provide for him. Mr. Verbin has spent his whole life building up this trust fund so that his son can live off this lifetime of hard work after Mr. Verbin is gone. Mr. Verbin does not want his son to have to go on welfare or become a ward of the state. Instead, he has
